## Lowbay

### Product Information

|                       |                            |
|-----------------------|----------------------------|
| System Lumen Range    | 6440lm - 13530lm           |
| System Power          | 60W, 80W, 100W, 120W, 150W |
| System Efficacy Range | 90lm/W - 107lm/W           |
| Body/Trim Colour      | Silver, Black              |
| Installation Method   | Surface Mounted            |
| LED Brand             | CREE                       |
| IP Rating             | IP66                       |
| Diffuser              | Glass                      |

### Photometric Information

|                              |         |
|------------------------------|---------|
| Colour Rendering Index (CRI) | CRI80   |
| Colour Temperature (CCT)     | 4000K   |
| Beam Angle                   | 90°x90° |

### Compliances
