Aglo Systems Head Office.
Melbourne, Victoria

Aglo is an Australian-owned lighting supplier, providing lighting solutions for the commercial and retail industries, bespoke luminaires and architectural features, and end-to-end project management services. Since 2004, we have grown to become a leading supplier of commercial and project lighting.

Our vision is to “continually improve our customers’ lighting experience,” through an optimal lighting design, high quality products and personalised service. We see our clients as our partner, and we work with them across all areas of the project development from sourcing, sampling, approval process, to purchasing, delivery and installation, and after project handover.

Our Services

Commercial Lighting Supply

As commercial lighting solution experts, our team can assist you with any project whether it be small and complex or large and dynamic, there is no limit to our capabilities.

Project Management

Providing quality lighting packages to suit architectural design and technical specifications, our project specialists ensure all requirements are met, with a strong focus on timely delivery and exceptional project management.

Custom Lighting Solutions

We produce bespoke light fittings for large developments including shopping centres, casinos, hotels, luxury apartments and public spaces.

Lighting Design

Our lighting design team create lighting concepts and solutions to achieve an exceptional lighting experience which is both energy efficient and compliant.

Photometrics Lab

The LabSpion Goniophotometer is a key investment initiative to ensure lights and products supplied are all correctly specified to their designed light output beam angle and light quality colour rendering index (CRI).

Bespoke Architectural Features

We create unique and complex architectural features, such as decorative wall screens, door handles and shades.

Certified Casambi Commissioning Partner

As one of Australia’s certified Casambi commissioning partners, we possess extensive expertise in commissioning Casambi smart lighting systems.

Custom Design

Aglo is a trusted and experienced partner for your custom design and manufacturing needs.

Lighting plays a pivotal role in setting the mood, enhancing ambiance, and creating memorable experiences. Custom lighting solutions offer the opportunity for personalisation, enabling you to shape the atmosphere of your space according to your preferences. Whether you're an architect, interior designer or business owner, custom lighting allows you to infuse your

unique personality into every nook and cranny. Our portfolio of clientele ranges from boutique hospitality, apartment projects and exclusive resorts, to 6-star hotels and casinos. Our diverse local and global suppliers' network enables Aglo to deliver projects on any scale or budget.

Services Covered:

- Project management
- Concept development
- 3D CAD modelling design
- Photorealistic renders
- Prototyping
- Manufacture

Why Choose Aglo?

Detailed Shop Drawings

Aglo provides detailed shop drawings that ensure you have a clear understanding of what we'll be creating for you.

Innovative Problem Solvers

We help to resolve your idea into a manufacturable product that takes into consideration building weight limitations, budget constraints, installation limitations, etc.

Comprehensive Quotes

Others can quote with little information then charge variations to achieve what should have been delivered originally. We provide detailed quotes that address all costs required to maintain the designer's integrity and design intent.
